<p>Sam George</p>	<p><i>Family Issues in the South Asian Diaspora</i> As families move away from their homelands and try to make a livelihood in a new world, marriage and family life comes under tremendous strain in the adopted land. Marriage partners and children often feel neglected in the face of modern life challenges, demanding work culture, business environment, lack of support structures and the struggles to fit into the foreign society and churches. This seminar will offer what every family, pastor and Christian leader can do to develop strong healthy families in such contexts.</p>
<p>Chris Gnanakan</p>	<p><i>Mission in Asia Amidst Affluence and Affliction</i> Asia of all places knows what is to be subject to socio-religious persecution in our pluralistic background. On the other hand in spite of the global crunch, Asian tigers in India and China are buying up companies and Asian churches are spreading a form of the precarious 'prosperity gospel'. After addressing global paradigm shifts i.e. Globalization, McDonaldization, Saffronization the seminar advocates Glocalization where local phenomena are shaping global trends and <i>vice versa</i></p>
<p>Sungeeta Jain</p>	<p><i>Moving in Power</i> Jesus said, "Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father." (John 14:12). Have you ever wondered when you will be able to see these "greater works" in your life? In this seminar we will discuss five practical keys to seeing the power of God in your life.</p>
<p>Denison Jayasooria</p>	<p><i>Young Diaspora Professionals and Policy Advocacy</i> Young Christian diaspora professionals have professional giftings and talents which can be utilized for professional input in public policies which have an impact on serving disadvantaged minority communities by ensuring access and inclusion. Biblical examples like Joseph and Daniel in the Old Testament will inspire our youth with a greater vision of God's concern for the world.</p>
<p>Wilson Mathews</p>	<p><i>Why God? Why?</i> Can you remember the most intense and painful moments of your life? Have you ever asked God why it happened? This seminar will help tackle this question and also sheds light on the value of suffering in the Christian life. It will also highlight some of the biblical responses to suffering and how we can cope with it.</p>
<p>Peter Daniel Samuel</p>	<p><i>Sharing With Hindus the Hidden Christ of the Hindu Scriptures</i> This seminar helps you to first understand Hinduism and then equips you to confidently share your faith with sincere and truth-seeking Hindus. You will learn how to share bite-sized information from the Hindu Scriptures about the hidden Christ and then show Hinduism's "Prajapathi" is only fulfilled by Jesus Christ.</p>
<p>Kul Bal Singh</p>	<p><i>Breaking Out of Small Places and Mindsets</i> Many people are living within confined restricted "spaces". This restriction to SMALL PLACES is conditioned by people's own words. Negative, critical and self-defeating talk prevents them from walking in their destiny. Using biblical characters like Abraham, David and Peter, this seminar will help people breakout of their SMALL MINDSETS and launch their amazing journey.</p>
